**ALPHA
WORKS**

a member of **audiofrog** 

Established in 2017, Alpha Works is a lifestyle consumer audio brand built on more than 20 years of professional acoustic engineering expertise.

As a member of Audiofrog, the brand inherits the engineering precision and tuning philosophy developed in high-performance automotive and professional audio systems, bringing that knowledge into products designed for modern everyday life.

Mr. Andy Wehmeyer

Audio expert with 33+ years
leading professional sound system design and tuning

President and Co-Founder of

**ALPHA
WORKS**

**ALPHA
WORKS**

— Our Vision

To become a globally recognized lifestyle audio brand that brings great sound experiences into everyday life.

Our Mission —

To design and deliver lifestyle audio products that combine **trendy design, reliable performance, and best performance per price**, making quality sound accessible to more people around the world.

Discover the new generation of Alpha Works...

ABOUT ALPHA WORKS

20+ years of Audio Expertise

Although officially established in 2017, Alpha Works was founded by a team with over two decades of experience in Professional Audio. This deep-rooted expertise has been instrumental in shaping its innovative lifestyle audio products, ranging from Bluetooth speakers and ANC headphones to wireless earbuds and smart audio devices. By partnering with trusted retail networks globally, Alpha Works has built a solid distribution presence, particularly in Southeast Asia.

Driven by Passion, Built on Trust

Alpha Works grows with trusted partners, delivering high-quality audio products globally. Our commitment to excellence fuels innovation, focusing on superior sound, intuitive features, and modern design to enhance everyday audio experiences.

Professional employees, experienced in Audio Industry, Alpha Works excels in design, production, marketing, and logistics, delivering fast, professional services worldwide.
